

DEAD KING'S BODY IN DANISH CAPITAL; TAKEN TO PALACE

Royal Sons Follow the Hearse
on Foot From the
Wharf.

COPENHAGEN, Denmark, May 17.—The Danish royal yacht Dannebrog arrived at noon today at the Toldboden Wharf in the inner harbor near Amalienborg Palace, bringing the body of the late King Frederick VIII. from Travemunde. The coffin was borne ashore by twelve officers and placed in a hearse.

A procession was then formed which was headed by a large force of cavalry. King Christian X. of Denmark, King Haakon of Norway and many other royal personages followed the hearse on foot. Then came carriages containing Dowager Queen Louise, Queen Alexandrine and several of the Princesses.

The streets from the landing place to the Palace were thronged with people. On arrival at the chapel of Christiansburg Castle the coffin was borne in by officers and placed on a catafalque. The members of the royal family then surrounded the coffin and knelt for some minutes in silent prayer. Before leaving the chapel each of them kissed the Danish flag which had been spread over the bier.

SEDITION CHARGE AGAINST AGITATORS IN CALIFORNIA

U. S. District-Attorney of San
Diego to Present Cases
to the Grand Jury.

LOS ANGELES, Cal., May 17.—The troubles in San Diego and other Pacific Coast cities, as the result of the free speech agitation by the Industrial Workers of the World took a new turn today when it became known that the United States District-Attorney is planning to prosecute the leaders of the I. W. W. for sedition.

It is reported that United States District-Attorney Robinson will place the matter before the Grand Jury soon and that sweeping charges which will involve practically every member of the organization on the Coast will be pressed. Dr. Bettman, manager of Emma Goldman, is reported to be ill as the result of his experience Tuesday night at the hands of the San Diego vigilantes.

Whitman to Be an Elk.
District-Attorney Whitman will be initiated into the mysteries of the Elks on Sunday evening at the Elks' headquarters, No. 108 West Forty-third street. Mr. Whitman was proposed by Police Commissioner Waldo two weeks ago and was unanimously elected for membership last Sunday night. Preparations are being made by the officers of the lodge to give the District-Attorney a grand send-off when the ceremonies attending his initiation into the order are completed.

ATHLETE POSED TO GET INSURANCE FOR INVALID.

Miss Mary Jamieson, a trained nurse and boarding house keeper, at No. 18 East Eighty-sixth street, was arraigned before Judge O'Sullivan today on an indictment charging her with obtaining a signature by fraud.

According to the evidence produced before the Grand Jury by the Equitable Life Assurance Society, Miss Jamieson produced before medical examiners of the insurance company a healthy, even athletic, looking man, introduced him as her brother and thereby induced the examiners to sign a report that Robert J. Jamieson was a good risk.

The insurance company learned later that Robert J. Jamieson was the New York & New Haven Railroad for damages, because as a result of injuries suffered by him in the Baybrook disaster of two years ago he had become paralyzed. The railroad was defending the suit by attempting to prove that Jamieson at the time of the railroad accident was already paralyzed and bedridden at the home of his sister. The woman will be arraigned for pleading on Monday. Her bail was fixed at \$250.

CREX vs. Grass Matting

Although CREX products have been the standard for all substantial fibre floor coverings for several years many people do not know that the word CREX as applied to "grass coverings" has the same meaning as the word "sterling" as applied to silverware. It means indisputable quality.

Of course every dependable dealer will supply you with the original guaranteed CREX product when called for, but the clerks of some dealers, who seem to care more for immediate profit than for a customer's lasting trade, will try to substitute similar goods of inferior quality at same price.

CREX
Grass Carpets and Rugs

All we ask is fair competition. When you ask for CREX rugs see that our trade-mark is stitched thereon. It is for your protection as well as ours.

For the summer home no coverings equal the CREX line for cleanliness, sanitation, durability and economy. Our rugs costing at retail from \$1.00 to \$10.00, according to size, are marvels of artistic beauty and intrinsic value.

Ask any good dealer to show you the CREX line. And if you would like a copy of our 1912 booklet 1-1, showing sizes and patterns in actual colors, it will be sent you for the asking. A postal request will do.
